## Ministry

Thank you for interceding for me as I have labored in the revival and conference ministry. I'm grateful for each open door and the opportunity to preach the Word from various pulpits. The Lord has been gracious to save a few sinners along the way, and there have been touches of revival among the Lord's people. Some young men have announced their call to the ministry in the last months and that is always an encouragement. I've included my itinerary for the first quarter of 2008. I hope many of our friends will help us saturate these churches, meetings and communities with much prayer as preparation is made for the meetings.

## Manuscripts

Although I had hoped to see another sermonic commentary printed in 2007, that milestone was not reached. However, the Lord did enable us to get the 2005 Paths Bible Conference book printed. That makes a total of seven of the conference books that are now available. Concerning future books, I have written one third of the materials for a book on the Gospel of John now, and worked more towards a book on Philippians. I have also begun another workbook on the Person and Attributes of God. If the Lord would be pleased, I'd like to see one, or possibly two, of these books printed in 2008. Help me pray about the completion of these works and the funds needed for printing them.

## Music

I'm grateful for how the Lord is using many of my songs. Not only have a few of them been recorded by gospel singing groups, but several church choirs are singing them, as well. I have recorded seven songs on a new project which will include twelve of my older songs: Clay In The Potter's Hands, I'm Walking With Someone, I Have Found A Ransom, He's On The Throne, Nothing Could Be Greater, and others. I don't know all that the Lord has in mind but I have written a dozen or more new songs in the last few months. If you would like more information concerning the five CD projects which are now available, please write, call or visit our website, tomhayes.org.

## Members

Although I had some physical battles in the summer, I have been doing excellent since mid-September. Cindy has a hard time not feeling as energetic as in the past, but she looks ten years younger than I. Alethea and the boys, Thomas (12) and Samuel (10), are doing very well. Angela is busy teaching voice, singing and acting. As for Akaisha (15), she keeps us all straight. Please pray for each one of us in this new year.

## Messages

Monthly audio sermons are available for a gift of \$60.00 or more. You will receive twelve CD's for the next year. Each expository message will be informative and will encourage you in your walk with the Lord.
